## Permission Slip For Attendees Under The Age Of 18

The Keystone Conference (Conference) is intended as an educational event. We welcome all attendees interested in the social, medical, and legal aspects of gender diversity. We encourage the parents and/or legal guardians of individuals under the age of 18 to accompany these individuals in their quest for knowledge and understanding of this subject matter. Because of the nature of some of the topics discussed, we require that attendees under the age of 18 obtain the consent of a parent or legal guardian before they are admitted to any Conference presentation. Please submit the following form upon registration if you are under the age of 18. TransCentralPA as Conference sponsor reserves the right to verify the age of any prospective guests and/or attendees, and to restrict admission to Conference events accordingly.
